..... Letter no A.1.8.8/144 dated 13-11-44 from the President Hindustan Aircraft-Sanitary Board - recommending in the circumstances stated Sanction to pay a Conveyance Allowance of Rs 5 p.m. to each of the ministerial staff of the Board until they are housed near the office .....

..... As it is difficult to secure houses to reside, the officials of the Hindustan Aircraft-Sanitary Board have to go from to their office from distant places, for which they have to incur additional expenditure. The President-Hindustan Aircraft-Sanitary Board has reported that the monthly charge for a bus pass (from City to the Aircraft) is Rs 6 and for a train it is Rs 5 p.m. As the officials have to incur an additional expenditure on account of their Conveyance the Sanitary Board have resolved that a Conveyance Allowance of Rs 5/- p.m. may be sanctioned to each of the ministerial officials of the Board. The executive staff is excluded probably because they are in receipt of Conveyance allowance. The President has not indicated the total amount involved in this proposal. As the officials are undoubtedly put to

additional expenditure on account of the long distance of their office and the consequent need to secure a conveyance the allowance of Rs 5- p.m. to each of the ministerial staff may be perhaps be sanctioned as until they are housed near the office

[Incidentally it may perhaps be pointed out that the expenditure on account of the establishment of this Sanitary Board is very heavy and as compared with its income and it is necessary to reduce it especially with a view to find sufficient funds for public works within the Board area.]

Memo 5/12/44 The resolution of the Board to grant a conveyance allce of Rs 5 p.m. to each of the ministerial staff of the Sanitary Board when they are provided with quarters in the Sanitary Board area may be sanctioned. The Hon'ble Minister has agreed to this proposal as per note in the Minister's file for order.

Sir,

I have the honour to state that there are no houses available near the office or within a radius of 2 or 3 miles from the office for the office staff to take up residences. The ministerial staff has therefore to travel a long distance of more than 6 miles and they have no suitable conveyance except the Hindustan Aircraft buses to cover the distance. The authorities of the Factory were requested to permit free transportation of the ministerial staff in their buses. They replied that with the exception of Police passes, the Government of India does not allow free transportation and they have, however, permitted transportation of the staff on payment. The monthly charge for a bus pass is Rs. 6/- and for a train pass is Rs. 5/-. The officials represent that this is an extra charge on them and that their meagre pay is reduced on account of this and that they cannot make both ends meet. They therefore pray that a suitable conveyance allowance on this account may be granted.

The matter was placed before the Board on 12th Oct. 1944 and it was resolved that a conveyance allowance of Rs. 5/- might be sanctioned as a temporary measure to cover the transportation charges incurred by them, (copy of the resolution is enclosed).

The expenditure incurred by the officials is an extra charge and in these hard days it is but reasonable reimburse their salary to the extent to which they hav

to incur extra expenditure on this score. I therefore request you to kindly obtain sanction of Government for payment of a Conveyance Allowance of Rs. 5/- per month to each of the ministerial staff of the Board until they are housed near the office.

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT.
